Major General John M. Williams
Assistant Chief of Staff for Intelligence
Department of the Army
Washington 25, D. C.

Dear General Williams:

Just before Mr. Dulles left for a short trip down south, he asked me to thank you very much for your memorandum of 24 December concerning your comments on the cable from your Attaché in Stockholm.

Your comments are most interesting and I greatly appreciate your writing to us about this matter. As you know, this is a subject which some of our specialists here have been following with considerable interest so I am sending it on to them for information and further study.

Once again, many thanks and kindest personal regards.

Sincerely,

SIGNED

C. P. Cabell
General, USAF
